The 10th Anniversary Amy Fedel Memorial Concert

A
benefit for the
Epilepsy Foundation
of Michigan
and
Michigan M.A.D.D.

February 13, 2010
Green Wood U.M.C.
Ann Arbor, Michigan

Welcome to the
10th Anniversary Amy Fedel Memorial Concert

This fund raising concert series was initiated in memory of Amy Fedel, who died when our family's van was hit by a drunk driver in the summer of 1998. Amy was a leader with a strong sense of compassion. We want to keep that spirit alive through events like this one.

*

This year's concert is dedicated to the memory of two special friends who passed away since the last show:
Loren Greenawalt and Jim Story.

I had the pleasure of knowing and making music with both of them and seeing the love and joy they brought into the world through their music and their presence.
They are both missed every day.

*

Melissa Meiller, a friend of Amy and Lisa's, is displaying her photography in the building.
Some pieces are for sale with proceeds being donated.

*

Lisa is making t-shirts with the Neutral Zone and has brought some of her designs to sell with proceeds being donated.

*

All proceeds from the concert will be donated to the
Epilepsy Foundation of Michigan
and M.A.D.D.

*

All money from refreshments will be donated to the
Amy and Lisa Fund for advertising and future events.
